Dear Sir:

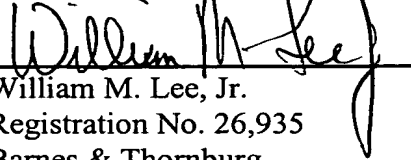

In view of the discussion set forth in the communication dated April 7, 2005, a new Declaration for this application has been obtained and is submitted herewith.

The Patent and Trademark Office already has a Declaration executed by the second inventor, Claire Hooper. The present Declaration is now signed by Justin Rushbrooke, the executor of the estate of the first inventor, John Gordon Rushbrooke. The attached Declaration now meets the requirements of 37 C.F.R. §1.497(b)(2) in that proper addresses are set forth, and Justin Rushbrooke has signed both as executor, and also provided his own citizenship, residence and mailing address.

It is therefore submitted that all is in order, and it is requested that the application now proceed to examination.

May 18, 2005

Respectfully submitted,

William M. Lee, Jr.
